

The #1 Pet Insurance Marketplace

Compare pet insurance quotes and coverage all in one place. **Instantly.**

With Pawlicy Advisor, you don't have to spend hours comparing companies to **find the best pet insurance**

-  Data-driven advice from licensed insurance experts
-  Personalized recommendations make sure your breed's specific health risks are covered
-  Customizable coverage options to fit your budget

**100% free to use.
No commitment.
No fees.**

The money we make comes from insurance companies, not you. And unlike other websites, we've standardized our payment model — so when we recommend one partner over another, it's because we truly believe it's a great fit **for you.**

Every year, 1-in-3 pets need emergency medical treatment. Pawlicy Advisor helps you save on unexpected vet costs.

I spent days trying to compare all of the pet insurance policies out there. I even created a spreadsheet to try to figure it all out. I also used multiple insurance comparison websites but **Pawlicy ended up giving me the best rate and coverage** for my Bee based on common conditions that dachshunds face.
